PROFESSIONAL SUMMARY

A passionate web developer with a strong foundation in the MERN stack, eager to create dynamic and scalable web applications. Skilled in React.js, JavaScript, and Tailwind CSS, with hands-on experience in building interactive user interfaces. I am seeking a challenging role to apply my knowledge and contribute to innovative projects.

EXPERIENCE

- ❖ **Junior Front End Developer, CodeLab IT Solutions Bahawalpur, Pakistan** (Jan 2021 – Aug 2021)
 - ✓ Developed responsive UI components using HTML, CSS, and JavaScript.
 - ✓ Collaborated with backend developers to integrate APIs and improve website functionality.
 - ✓ Optimized website performance, reducing load times by 20%.
- ❖ **Trainee React JS Developer, Techons Solutions Lahore, Pakistan** (Nov 2024 – Dec 2024)
 - ✓ Assisted in developing and optimizing React.js components for web applications.
 - ✓ Implemented state management using **Redux Toolkit** and **Context API** for efficient data handling.
 - ✓ Worked on improving UI/UX by creating **responsive and interactive** web pages using **Tailwind CSS**.

EDUCATION

Bachelor's in Software Engineering (CGPA: 3.40/4.00) (June 2024)
Islamia University of Bahawalpur, Punjab Pakistan

Diploma In Mechanical Engineering (2018 – 2020)
Govt College Of Technology Bahawalpur, Punjab Pakistan

SKILLS:

Languages / Frameworks:

HTML, CSS, JavaScript, React JS, Tailwind CSS,
Redux Toolkit, Context API

Version Control & Tools:

Git, GitHub

PROJECTS:

- **Personal Portfolio- React.js**
Built a personal portfolio website using React.js, showcasing my projects, skills, and experience. I focused on creating an interactive, responsive, and visually appealing design to demonstrate my front-end development capabilities.
- **Projects for practice- React.js**
Counter App, Todo List, Background color changer, Weather App, Random Password generator
- **Dermatologist Consultation Website: (HTML, CSS, JavaScript)**
Developed a website for dermatologists to give online consultations to their patients, using HTML, CSS, and JavaScript.

AWARDS/CERTIFICATES/VOLUNTEER WORK:

- Web Designing Certificate
- I served as an executive member of my department's student society.
- I participated in team-based activities like Management of Events and team-based projects.

Additional Skills:

- I am willing to learn new technologies and adapt to changing requirements.
- Ensuring high-quality and error-free code & communication with team members and stakeholders.
